

P23583.A05

Amendments to the Abstract:

Please replace the abstract on page 11 with the following paragraph:

A coloring book for children including a plurality of page sets bound or stapled wherein a page set includes a pair of background sheets, each having a different background design, and a sharing page placed between the background sheets having basic designs on a front and rear surface thereof so as to be coordinated with the background designs when folded with each of the background sheets.
